From IBC Delaware LLC, Istanbul Liaison Office

FOR IMMEDIATE RELEASE

[Delaware, USA, Istanbul, TR] – International Business Consultancy (IBC) has announced that the company has signed a new business Strategic Alliance Agreement with Zug, Switzerland based investment consultancy company Atrinum Group GmbH

The company expects to have a greater reach in both European clients and/or projects within DACH region. The founder of IBC, Mr. Peker quoted as *"We had been working on such strategic alliances to join our expertise and forces with solid international companies to maximize our profits. Atrinum Group and IBC Delaware have in common to cover Alternative Energy, Asset Management, and HiTech segments. We will be constantly offering potential investment opportunities to both entities' clients. Thus, we will be covering some of the most economically stable countries like USA, Germany, Austria and Switzerland. 2017 will be the year of alliances for IBC Delaware."*

More information will be released, as parties close future deals.
